For TTR Income accounts, the investment return is based on the crediting rate for super (accumulation) options. From 1 April 2020 to 2 September 2022 the crediting rate includes an administration fee of up to 0.04% pa that only applies to super (accumulation) accounts. TTR Income accounts will be adjusted to refund the administration fee deducted from investment returns. All TTR Income account administration fees are deducted from account balances. Asset allocations and other investment information are current as at the dates listed. Asset allocations, the composition of individual asset classes and other investment information may change from time to time. Asset allocation, currency exposure, holdings and investment manager data are for the Super option. Choice Income option may have small differences. A Target Market Determination (TMD) is a document that outlines the target market a product has been designed for. Find the TMDs at australiansuper.com/tmd
